- Point 1 For international students applying to Chihlee University of Technology (hereinafter referred to as the University), these Regulations are stipulated in accordance with Article 6 of The Ministry of Education's (hereinafter referred to as the MOE) Regulations Regarding International Students Undertaking Studies in Taiwan and Article 3 of the University's General School Regulations.
- Point 2 An individual of foreign nationality, who has never held nationality status from the Republic of China (R.O.C.) and who does not possess an overseas Chinese student status at the time of their application, is qualified to apply for admission under these regulations.

An individual of foreign nationality, pursuant to the following requirements and who has resided overseas continuously for no less than 6 years is also qualified to apply for admission under this regulation.

- 1. An individual who also is a national of the R.O.C., but does not hold or has had a household registration in Taiwan.
- 2. An individual of foreign nationality who was also a national of the R.O.C. but has no R.O.C. nationality at the time of their application shall have an annulled status regarding their R.O.C. nationality for no less than 8 years after an annulment of R.O.C. nationality by the Ministry of the Interior.
- 3. Regarding individuals mentioned in the preceding 2 subparagraphs, they must not have studied in Taiwan as an overseas Chinese student nor received placement permission during the same academic year of the application by the University Entrance Committee for Overseas Chinese Students.

According to the Education Cooperation Framework Agreement, a foreign national

selected by a foreign government, organization, or school, and does not hold a household registration from the time of their birth is not subject to the limitations as prescribed in the preceding 2 paragraphs after receiving the approval from MOE.

The six/eight-year calculation period as prescribed in Paragraph 2 shall be calculated from the starting date of the semester (February 1st or August 1st) as the designated due date for the time of study.

The term "overseas" as prescribed in Paragraph 2 is limited to countries or regions other than Mainland China, Hong Kong and Macau; the term "reside overseas continuously" means that an individual may stay in Taiwan for no more than a total of 120 days per calendar year. The only exceptions to this method of calculation are for those who fulfill one of the following requirements with written supported proof; and the said domestic length of stay shall be excluded from the overseas length of residency:

- 1. Attended overseas youth training courses organized by the Overseas Compatriot Affairs Council or technical training classes accredited by the MOE;
- 2. Attended a Mandarin Chinese language center at a university/college of which foreign student recruitment is approved by the MOE, and to which the total length of stay is less than 2 years;
- 3. Exchange students, whose length of total exchange is less than 2 years; or
- 4. An Internship in Taiwan which has been approved by an authorized central government agency, to which the total length of stay is less than 2 years.

An individual, who has both foreign and R.O.C. nationalities and has applied for an annulment of their R.O.C. nationality before February 1, 2011, the effective date of the amendment to Regulations Regarding International Students Undertaking Studies in Taiwan, is qualified to apply for admission as an international student and will not be subject to the limitation as prescribed in Paragraph 2.

Point 3 An individual of foreign nationality, concurrently holding a permanent residence status in Hong Kong or Macao, having no history of a household registration record in Taiwan and, at the time of application, has resided in Hong Kong, Macao, or another foreign country for no less than 6 years is qualified to apply for admission under these regulations.

The term "reside overseas continuously" mentioned in the preceding paragraph means an individual may stay in Taiwan for no more than a total of 120 days per calendar year. However, such a term may be exempt, if any of the conditions prescribed in Subparagraphs 1 through 4, Paragraph 5 of the Regulations Regarding International Students Undertaking Studies in Taiwan applies and is supported with written proof, and the said domestic length of stay shall be excluded from the overseas length of residency.

An individual being a former citizen of Mainland China and holds a foreign nationality, having no history of household registration record in Taiwan, and at the time of application, has resided overseas continuously for no less than 6 years is qualified to apply for admission under these regulations.

The six-year calculation period as prescribed in Paragraph 1 and Paragraph 3 shall be calculated from the starting date of the semester (February 1st or August 1st) as the designated due date for the time of study.

The term "overseas" refers to the definition as prescribed in Paragraph 5, Article 2 of MOE Regulations Regarding International Students Undertaking Studies in Taiwan

- Point 4 International students who are eligible to apply for admission and have considerable knowledge of Chinese to study in Taiwan may apply for admission by submitting the following to the Division of International and Cross-strait Affairs. Materials submitted will not be returned to the applicant; application deadlines shall be met in accordance with the University's Admissions Guidelines at the time of application.
 - 1. Application form in duplicate.
 - 2. Academic credentials:
 - (1) Academic credentials from Mainland China: The Regulations Governing the Accreditation of Schools in Mainland China shall apply.
 - (2) Academic credentials from Hong Kong or Macao: Academic Credential Verification and Accreditation Methods adopted in Hong Kong and Macao shall apply.
 - (3) Academic credentials from other areas:
 - i. Academic credentials earned at overseas Taiwan schools or Taiwan schools in Mainland China shall be regarded as the same as those at domestic schools with equivalent levels.
 - ii. Academic credentials referred to the preceding 2 Items shall be subject to the Regulations Regarding the Assessment and Recognition of Foreign Academic Credentials for Institutions of Higher Education. However, academic credentials earned from universities or branches established in Mainland China by foreign schools shall require public notarization in Mainland China and be verified and examined by a university established or appointed by, or through a private agency commissioned by the Executive Yuan.
 - Financial proof that shows financial sustainability for study in Taiwan, or proof of full scholarship provided by a government agency, university, college, or private organization.
 - 4. Others as required by the departments in respective schools or undertaking unit. A school that reviews the application documents without verification by overseas consulates, representative offices, agencies of the country or other bodies authorized by the Ministry of Foreign Affairs (hereinafter referred to as "Overseas Agencies") or universities established or appointed by, or a private agency commissioned by the

Executive Yuan as prescribed in subparagraphs 2 and 4 of the preceding paragraph may request for verification by an Overseas Agency. If the said documents have been verified, the school may request examination of the documents.

Upon enrollment at the University, international students shall present proof of a medical and injury insurance policy which is valid for at least 6 months, starting from the date of entry into Taiwan. Current students shall present written proof that they have joined Taiwan's National Health Insurance Plan.

The abovementioned written proof of insurance issued in foreign country shall be notarized by the Overseas Agencies.

Point 5 An international student who has completed a bachelor's degree or a higher degree in Taiwan and is applying to be admitted to do a master's degree program or a higher degree may submit copies of their graduation certificate from a university or tertiary college in Taiwan and transcripts for each year of their studies and apply in accordance with the provisions of Article 7 and is not subject to the provisions of Article 7, Paragraph 1, Item 2.

An international student who has graduated from a private elementary or secondary school for international residents in Taiwan, or from a bilingual division (program) affiliated to a domestic senior secondary school, or from a program teaching a foreign curriculum that is offered by a division of a domestic private elementary school, junior high school or senior secondary school may submit copies of their graduation certificate and transcripts for each year and apply for admission in accordance with the provisions of Article 7 and is not subject to the provisions of Article 4, or of Article 7, Paragraph 1, Subparagraph 2. The applicant's

Point 6 In principle, the actual number of places available for international students to be admitted to universities and two-year programs at junior colleges (hereunder referred to as "universities and tertiary colleges") is limited to an additional ten percent above the institution's admission quota approved for that academic year by the Ministry of Education, and that number shall be incorporated into the total admission quota and reported to the Ministry of Education for approval. A university or junior college applying to recruit more than an additional ten percent shall submit a report of the planned increment (including associated quality control strategy and supportive measures) to the Ministry of Education for approval. Degree programs offered by collaborating domestic and foreign universities that have been approved on a case by case basis by the Ministry of Education are not subject to this restriction.

The actual number of international students that may be admitted to a five-year program at a junior college, or to a senior secondary school, junior high school, or an elementary school is limited up to an additional ten percent above the institution's admission quota for that academic year that was approved by the competent education administrative authority, and that number shall be included in the total number of students admitted for that academic year and be reported to the competent education administrative authority for approval.

Universities and tertiary colleges may admit international students to take up places at their institution available to local students within the approved admission quota for that academic year which remain vacant.

The admission quotas referred to in Paragraph 1 and Paragraph 2 do not include international students who are not officially registered as a current student.

- Point 7 The applicant's application forms are reviewed once per year; the preliminary reviews are done by the Department's Student Selection Teams. After the preliminary review process is completed, the University's Student Recruitment Committee shall review the applications; those whose applications pass the Student Recruitment Committee reviews shall receive an Acceptance Letter.
- Point 8 Upon completion of the course of study, at a school in Taiwan, to which an international student has applied, the student's admission to another school's academic level shall be handled in a manner identical to the admission procedures for domestic students, excluding the application for master's degree or higher levels of graduate studies, which shall be processed under the procedures of the University.
- Point 9 International students may not apply for Extension Programs at the University designed for returning education students, part-time, in-service courses of master programs, or other programs, which are restricted to night classes and classes during holidays. International students who have obtained ARC (Alien Resident Certificate) of Taiwan, or are enrolled in a program ratified by the MOE, are exempted from this restriction.

International students who are dismissed from university/college after admission due to behavioral issues, poor academic performance or a conviction under the Criminal Law may thereafter not apply for admission under this regulation.

- Point 10 An international student reporting for registration at the time not beyond one-third of the first semester of the current school year shall register for the first semester; or at the time beyond one-third of the first semester of the current school year shall register for the second semester or the next school year. However, this restriction does not apply if MOE has some provision that overrides it.
- Point 11 An international student may apply for internship, with recommendation from the school, before the graduation from the University with a bachelor degree or higher in the semester of graduation. After being approved for an internship, the said student may have his or her international student status extended for one year at most after graduation.

During the course of study in Taiwan, international students, who have undertaken initial household registration, resident registration, naturalization or restoration of the R.O.C. nationality, will lose their international student status and shall be dismissed by the school.

Transfer for international students shall be dependent on the admission quota in each academic year; the admission method is equivalent to that of domestic students in accordance with the Regulations Regarding Admission of Transfer Students in Undergraduate Programs set forth by the University.

An international student who has been dismissed by a school that accepts the said

- student, due to behavioral issues or a conviction under the Criminal Law may not transfer to the University.
- Point 12 The University shall promptly register the following international student data into the management information system designated by the MOE: school entrance, transfer, suspension or dismissal and any change or loss of student status.
- Point 13 An international student who submits any certificate or document as part of their application for admission to an educational institution that is found to be forged, fabricated, or that has been altered in some way shall have their enrollment eligibility revoked. If the student has already registered and begun classes, their registration as a current student shall be cancelled and they will not be awarded any certification whatsoever regarding their related academic undertakings. If any such circumstances are first discovered after a student has already graduated, the educational institution shall revoke the former student's eligibility to graduate and shall require any degree already awarded to be returned and shall rescind it.
- Point 14 After receiving admission from the University, international students may apply for scholarship at the Division of International and Cross-strait Affairs; students admitted under the recommendation of cultural cooperation framework shall apply in accordance with the framework.
 - The University may allocate funds for international student scholarship to encourage students from overseas to study at the University.
- Point 15 The University shall, under the condition that it does not affect the University's normal operation, sign an agreement for academic cooperation with foreign schools and recruit international exchange students; the international exchange students may be admitted in accordance with these regulations.
- Point 16 Tuition fees for international students or student with permanent residency who apply to study for a degree or credits shall be the same as that of domestic students in principle; unless awarded scholarship, the tuition fees shall be that of domestic students. Should the student pass any course, the Academic Affairs Office shall issue proof of credits.
- Point 17 For international students who apply to study at the University and have obtained the status of formal degree student, any courses and credits they have already taken and received shall be transferred in accordance to the University's credit transfer regulations.
- Point 18 International students may apply to study courses offered by the University, where the tuition and miscellaneous fees, enrollment fee or credit fees shall be processed the same as formal students. Should the international students pass their courses, the Academic Affairs Office shall issue proof of credit(s) obtained.
- Point 19 The University shall appoint designated office or personnel to be in charge of the application, counseling, liaising, etc. for international students. They will also be responsible for arranging home stays and assisting international students in learning the local language and culture and helping them to get to know more about Taiwanese culture. Furthermore, international student events shall be held from time to

- time every school year to promote interaction and exchange between domestic and international students.
- Point 20 If an international student defers or abandons their studies, or if there is any change to or loss of their student status, their educational institution shall notify the Bureau of Consular Affairs of the Ministry of the Foreign Affairs, the service center(s) of the National Immigration Agency of the Ministry of the Interior where their educational institution is located, and send copies of these notifications to the Ministry of Education.
- Point 21 Should international students be found and proven to be in violation of the Employment Services Act, the University shall handle the matter in accordance with the University's rules and regulations.
- Point 22 During their stay in Taiwan, international students shall abide by the laws and regulations of the R.O.C., and the regulations put forth by the University.
- Point 23 Any matters not stipulated in these Regulations shall be dealt with in accordance with MOE's Regulations Regarding International Students Undertaking Studies in Taiwan and the University's rules and regulations.
- Point 24 All Regulations are passed by the Admissions and Recruitment for International Students Committee, submitted to and approved by the President of the University, and implemented after ratification by the MOE. The same shall be applied to amendments.

Note: This English version is only for applicant's reference. Should any dispute arise regarding these regulations, the Chinese version will prevail.

1. In line with our university's internationalization policy, and with the aim of encouraging outstanding international students to enroll at our institution to enhance our internationalization efforts, we hereby establish the "Guidelines for the Provision of Scholarships to International Students" (hereinafter referred to as "these Guidelines") in accordance with Article 15 of the "Regulations Regarding International Students Studying in Taiwan" issued by the Ministry of Education and the "Chihlee University of Technology Guidelines for Overseas Chinese Students Returning to Study and Assistance" to support these endeavors.

2. Applicability

This policy is applicable to new students applying for admission or being enrolled at this institution and existing students with formal enrollment at this institution, whose student status complies with the regulations of the Ministry of Education for foreign students and overseas Chinese (excluding students of the New Southbound Program, exchange students, mainland Chinese students, and Hong Kong/Macau students) or foreign students pursuing degrees at this institution through joint dual-degree programs signed by this institution and foreign schools.

3. Eligibility

- (1) New students applying for admission or being enrolled at this institution are eligible to apply for "New Student Scholarships."
- (2) Students already enrolled at this institution with an average academic score of at least 75 in the previous academic year, an conduct score of at least 80, a clean behavioral record, and meeting the following criteria are eligible to apply for the "International Excellence Scholarships":
 - i. Completing a minimum number of credits for each grade level in each semester.
 - ii. Enrolling for at least one academic year in the fall semester or one academic semester in the spring semester.
 - iii. Students can only apply for one scholarship offered by this institution.

4. Scholarship Categories and Amounts

(1) New Student Scholarships:

The scholarship covers half of the tuition and miscellaneous fees and provides a monthly

living allowance of 2,000 New Taiwan Dollars (NTD). The scholarship amount is based on the tuition fees for domestic students in the academic year at the time of application.

(2) International Excellence Scholarships:

- i. For regular students: Applicants must rank in the top half of the class based on their academic performance in the previous two semesters.
- ii. For students transferring within the institution: Applicants must rank in the top half of the class based on their academic performance in the previous two semesters.
- iii. For students transferring during the winter break: Applicants must rank in the top half of the class based on their academic performance in the previous semester.
- iv. The scholarship covers half of the tuition and miscellaneous fees and is based on the tuition fees for domestic students in the application academic year.

(3) Special Project Scholarships:

Scholarships for students recommended by sister schools or overseas cooperative institutions according to specific agreements signed with this institution are processed according to the terms of the agreement.

5. Categories and Amounts of International Excellence Financial Aid

In addition to new students, students with demonstrated financial need, supported by relevant documentation, can apply for financial aid. The categories are as follows:

- (1) Category A Financial Aid (Average score of 86 or higher in the previous academic year): 40,000 NTD per academic year.
- (2) Category B Financial Aid (Average score of 80-85 in the previous academic year): 30,000 NTD per academic year.
- (3) Category C Financial Aid (Average score of 75-79 in the previous academic year): 20,000 NTD per academic year.

Recipients of financial aid must perform 50 hours of academic or administrative service within the university during the awarded semester.

6. Scholarship Quotas

The allocation of scholarships is determined by the International Scholarships Review Committee of the university based on factors such as the exceptional qualifications of the applying students, their family financial situations, agreements with sister schools or overseas partner institutions, as well as the availability of government subsidies and the university's own financial resources.

7. Scholarship Duration

Each approval for scholarship assistance is valid for one academic year, and applicants must reapply for the following academic year.

(1) Undergraduate programs: Four-year college students can apply for up to 4 years, while

two-year college students can apply for up to 2 years. Extended studies students are not eligible. New students in the spring semester will receive scholarships for the initial semester, with applications under the conditions for current students starting from the second semester.

- (2) Master's programs: Master's students can apply for up to 2 years. Extended studies students are not eligible.
- (3) Five-year college programs: Students in five-year college programs can apply for up to 5 years. Extended studies students are not eligible.

8. Application Process

- (1) For new international students applying for admission, they should select the scholarship option on the admission application form and undergo a review based on the university's application documents for international students. Once the university's admissions committee makes an acceptance decision, the application materials are sent to the university's International Scholarships Review Committee for evaluation.
- (2) For new overseas Chinese students applying for admission, they should submit their application within two weeks after the beginning of the semester and send their application materials to the university's International Scholarships Review Committee for evaluation. Required documents include:
 - i. One copy of the application for international student scholarships.
 - ii. One copy of the student ID card (with the registration seal).
- (3) Current students applying for scholarships should submit the following documents to the Office of International and Cross-Strait Exchange for consolidation and evaluation by the university's International Scholarships Review Committee by August 31 of each year. Required documents include:
 - i. One copy of the application for international student scholarships.
 - ii. One copy of the student ID card (with the registration seal from the previous academic year).
 - iii. Academic records for the previous two semesters (including class ranking) and a conduct report.
 - iv. Proof of attendance records.
 - v. Other relevant academic and extracurricular activity documents.
 - vi. Applicants for financial aid should provide evidence of their unfavorable family financial situation.

9. Review Procedures

(1) New Students:

The university's International Scholarships Review Committee, based on the allocated budget, selects recipients and determines the scholarship amounts. The list of recipients and their respective awards is then made public, and recipients are notified. Recipients

must register for the academic year in question to receive the scholarship.

(2) Current Students:

During their enrollment, students who submit an application for an international student scholarship undergo a review by the International Scholarships Review Committee. If their application is approved, they become eligible to receive the scholarship.

10. Taiwan Scholarships

International students who apply for this scholarship may first apply for the Taiwan Scholarship issued by the local government authorities (except in regions where the Taiwan Scholarship is unavailable). If a student has already received the Taiwan Scholarship, they may not receive this scholarship as well.

11. Interruption or Change in Enrollment

Students who are eligible for the scholarship but, for reasons such as taking a leave of absence, withdrawing, or transferring to another institution, lose their eligibility for the scholarship. They may reapply after resuming their studies.

12. Fraudulent or False Information

Recipients of this scholarship who are found to have provided fraudulent or false information will have their scholarship eligibility revoked, and any funds already received must be returned.

13. Funding

The funding required for this policy is provided through subsidies from the Ministry of Education and the university's annual scholarship budget.

14. Unspecified Matters

Any matters not covered by this policy will be handled in accordance with relevant regulations set forth by the Ministry of Education and the university.

15. Approval and Implementation

This policy has been approved by the university's administrative council and will be implemented upon approval by the university president. Any revisions to the policy will follow a similar process.
