Subject: What's new in "Business Ventures"?

Dear Customer:

In this latest "Business Ventures" we focus on how to build better relationship with your customers. International expert on client satisfaction, Jane Longman, C.E.O. Garret Enterprises, gives us her insights and advice. Also, we investigate business insurance and how to get the best deals on the market when looking for comprehensive coverage.

As always, we talk to successful entrepreneurs at the top to find out how they got there and what tips they can give those yet to make the journey. In this edition, we interview the Japanese electronics guru Suzuki Kurasawa about his aspirations for the future. Check page 17 for some great tips he gave our reporter, William Thomas, at the Global Electronics Expo in Frankfurt last week.

The May edition of "Business Ventures" is ready for you to view online at www.mag-publications.com. Why not take our online survey while you're there? Tell us how you like "Business Ventures" and we'll reward you with the chance to win a free year's subscription to the online version. Subscribers to the print edition will receive your copies shortly.
